

Guide to Viewing All Lost and Found Pets in One Place

Search All Pets Closest to You

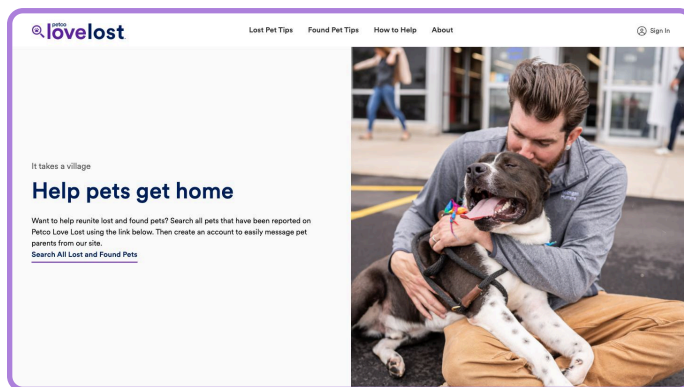

Do you have a dedicated reuniter or a volunteer who is passionate about reuniting pets with their families? This guide will walk you through how to access all lost and found pet reports in one convenient section, making it easier to create matches and bring pets home.

1 Go to PetcoLoveLost.org

2 Click **Search All Lost and Found Pets**

From the homepage, scroll down to the **Help pets get home** section.

Results will be sorted by proximity to your location.

Petco Love Lost Tip

Refine your search by filtering by pet type and the date or location the pet was lost or found. Listings include pets at shelters and rescues, lost and found pets reported by users, and posts by users across social platforms like Nextdoor and Neighbors by Ring.
